

## VR Surat stepping up the game in 2018

**Two weeks into the new year, VR Surat is leaving no stone unturned to make 2018 even better than the last with sales and activities galore!**

It is a month of back to back sales at VR Surat with a successful 'Flat 50 Sale' on the first weekend and now the highly anticipated End of Season Sale with all brands at the Centre offering massive deals and discounts on the season's best collections. And what is shopping without a few rewards. VR Surat will also offer all their patrons a chance to win huge prizes, the grandest of them all being a Renault KWID!

A celebration of the end of winter, Makar Sankranti at VR Surat will be a glorious affair with the Centre decked up with kites as 'Kai Po Che!' will echo all around from 12th Jan to 14th Jan. In addition to that, VR Surat will also host a live band performance by the popular group *Absolute*, under the skies decorated with kites making it quite a spectacle. Come 26th January, INOX at VR Surat will hold a special screening of 'Padman' for over 300 women with a conference on the significance of sanitation.

That's one month full of shopping & fun activities at Surat's favorite community hub.
