

Dear Partner,

September at VR Surat unfolded across three completely different worlds: the wild, the global, and the fast lane. From hands-on wildlife learning with Vantara Rescue Rangers to a vibrant exchange of cultures at Global Village and the excitement of Auto Expo 2026, the month brought together curiosity, discovery, and high-energy experiences for visitors of all ages.

With Navratri taking center stage, October promises plenty of reasons to dress up, step out, and make the most of the festive season at VR Surat.

Warm regards,
Team VR Surat
